

Health Connector Public Webinar: Lost health insurance from your job? Know your options and learn more about shopping for coverage.

In response to the COVID-19 outbreak its associated impacts on our economy and health coverage landscape, the Health Connector is taking steps to reach, assist, and enroll people who may be losing job-based health coverage.

This Thursday, November 19th, the Health Connector is hosting a live webinar to help Massachusetts residents who have lost employer-sponsored health insurance learn about their health coverage options through the Health Connector. This webinar is an opportunity to review the basics about how to apply, enroll and get health insurance coverage through the Health Connector.

The presentation will cover:

- General information about the state's Health Connector and the types of coverage available through [MAhealthconnector.org](https://www.mahealthconnector.org)
- Rules around choosing Health Connector plans as an alternative to COBRA
- Open Enrollment for 2021 Health Plan Coverage
- Tips when applying for coverage, including choosing a plan and enrolling
- Review of available online shopping tools
- How to get free help with this process

Basic Event Details:

Title: Have you lost health insurance from your job? Know your options and learn more about shopping for coverage.
