

Free, quick, and easy telehealth for COVID-19 Treatment Pills

| Positive for COVID-19?

The Commonwealth of Massachusetts, in partnership with Color, is offering free telehealth visits to get COVID-19 treatment pills.

Oral antiviral treatment is for people who have had COVID-19 symptoms for 5 days or less. Antiviral treatment can help reduce your chance for severe disease and prevent hospitalization.

Get treatment pills delivered for free or pick them up at your local pharmacy, if prescribed. **Learn more at mass.gov/COVIDtelehealth**

To start the free visit, use your smartphone or a computer to go to:

color.com/covid-19-treatment-ma

Or scan the QR code with your smartphone camera

| How it works

Step 1

Go to color.com/covid-19-treatment-ma and tell us about your symptoms

Step 2

Join the video call

Step 3

If you're prescribed antiviral treatment, pick it up at your local pharmacy or get home delivery

Important update about iHealth COVID-19 tests
